**ADVANCE INFORMATION -  
Closure of Liverpool Street station  
5 and 12 August 2007\*  
2, 9 and 16 September 2007\*  
7 October 2007\*  
23 December 2007 to 1 January 2008 (inclusive)**

Please note that Liverpool Street station will be closed during the above periods. This is in connection with Transport for London's project to extend the East London Line, requiring major construction work across the approach to the station, and Network Rail engineering work at Stratford and Shenfield. Alternative arrangements will be put in place to replace trains that normally serve Liverpool Street. However, there will be extended journey times and customers may wish to consider avoiding travel during this period where possible.

\* These dates the closure is until 1300 only
