Opening the Hall. The village hall keys will be available from the key combination safe outside the door using the code provided to you. Unlock combination, remove key, unlock doors and then close combination again (so it cannot be tampered with). Return the key to the safe after you lock up ensuring you secure it properly before you leave.

Unlock both the **LEFT AND RIGHT** door using the same key and open the right door manually. The alarm will sound. Enter the alarm code provided to you onto the keypad to your right (see photo last page). You can use the doors manually if the automatic system remains on locked (Padlock is indicated). However, if you have disabled attendees you will need to activate the automatic door system. In this case - Turn around to face the double doors you entered and switch the doors to Automatic by pressing the "Auto" bottom right button (↔ symbol) on the digital switch to the right of the door you are facing and at head height (see photo last page). **Release/open both door handles to allow the doors to open freely.** Once this is selected, everybody must be briefed that the doors will only open when the external and internal Push Pads are pressed and **MUST NOT** be used manually. Keep the external door key in your possession.

Closing the Hall. Check all lights are off. Once everybody has left the hall, **it is very important to first switch the doors to lock** by pressing the bottom left button (padlock symbol) on the digital switch (see photo last page). Set the alarm by inserting the same alarm code, step outside and close both doors. Lock **both doors** after lifting the handles up first. Reopen combination safe and insert key inside. Be sure to lock combination safe before leaving and check it is secure.

Caterers and Guests. Please ensure that any outside caterers, contractors and bar staff are aware of the hire period and that they will not be able to enter before or leave after the hire period. Guests are expected to vacate the premises within fifteen minutes of the end of a licensed period. After midnight (unless the event is Christmas/New Year's Eve) only those helping to clear up the village hall should be on the premises.

Safety. The village hall has a No Smoking Policy. In the event of a fire, the village hall should be evacuated in an orderly manner using the appropriate exits, and the Fire Brigade called by dialling 999. The exact location of the nearest telephone, fire exits and fire extinguishers must be noted before the village hall is occupied and the manner of opening Fire Doors should be made known to your guests. (A sketch plan showing these is shown on the following page). The village hall's first aid box & health and safety file is kept in the kitchen cupboard.

Stores. Please use the trolleys provided for moving chairs and tables in order to avoid injury. Please stack chairs and tables in the storeroom in a safe manner.

Power circuits/heating. Please let us know if you need the Village Hall to be particularly warm or cold. Do not adjust individual thermostats as this will result in the village hall being too cold or hot for subsequent users.

Telephone. The village hall does not have a telephone. You are advised to bring a fully charged mobile telephone for your own personal use.

Car parking. The village hall car park will accommodate a good number of cars if they are parked sensibly. Any overflow may park on the Playing Fields but you must request the key to the playing field when you book the Village Hall.

Consideration for others. Please ask your guests to leave quietly at the close of your event. Car doors banging and loud talk in the car park are disturbing to local residents. Please do not use drawing pins or sellotape on the walls or other surfaces. Do not fix decorations near light fittings or heaters.

Cleaning. Please leave the village hall clean and tidy and leave waste in the bins outside in the car park or take it home. In particular we ask you to ensure table tops are wiped clean before being stacked in the storeroom.

Faults/ damage/ comments. Please report any faults or damage to the management committee as soon as possible so that they can be rectified quickly. The management committee welcome comments or observations that you may have about your hire of the village hall.
